NATIONAL ASSOCIATION OF EQUINE AFFILIATED ACADEMICS

The National Association of Equine Affiliated Academics (NAEAA) is a professional organization representing individuals from public and private institutions and industry that educate undergraduate students within an equine academic program.

We are a gateway to thousands of college students, extension audiences and industry groups that regularly seek information and advice from professionals in the field of undergraduate equine education. We need your support and experience!

Non-profit

Annual membership of over 90 academics

54 Colleges and Universities

12 Businesses and Organizations

In 31 U.S. States

www.naeaa.com

Join us and become a 'member of the equine academic support family'
