[NAEAA annual conferences](#) are designed to advance the equine academic discipline through increased cooperation and communication. Founded in 2007, NAEAA is a non-profit professional organization representing individuals from public and private institutions and the equine industry that strive to educate undergraduates within an equine academic program. The core belief of the organization is that there is educational and societal value in the equine disciplines of study. The mission is to strengthen post-secondary equine academic programs, provide networking opportunities, and facilitate increased cooperation and information sharing among our members.
